

# COMPANY PROFILE

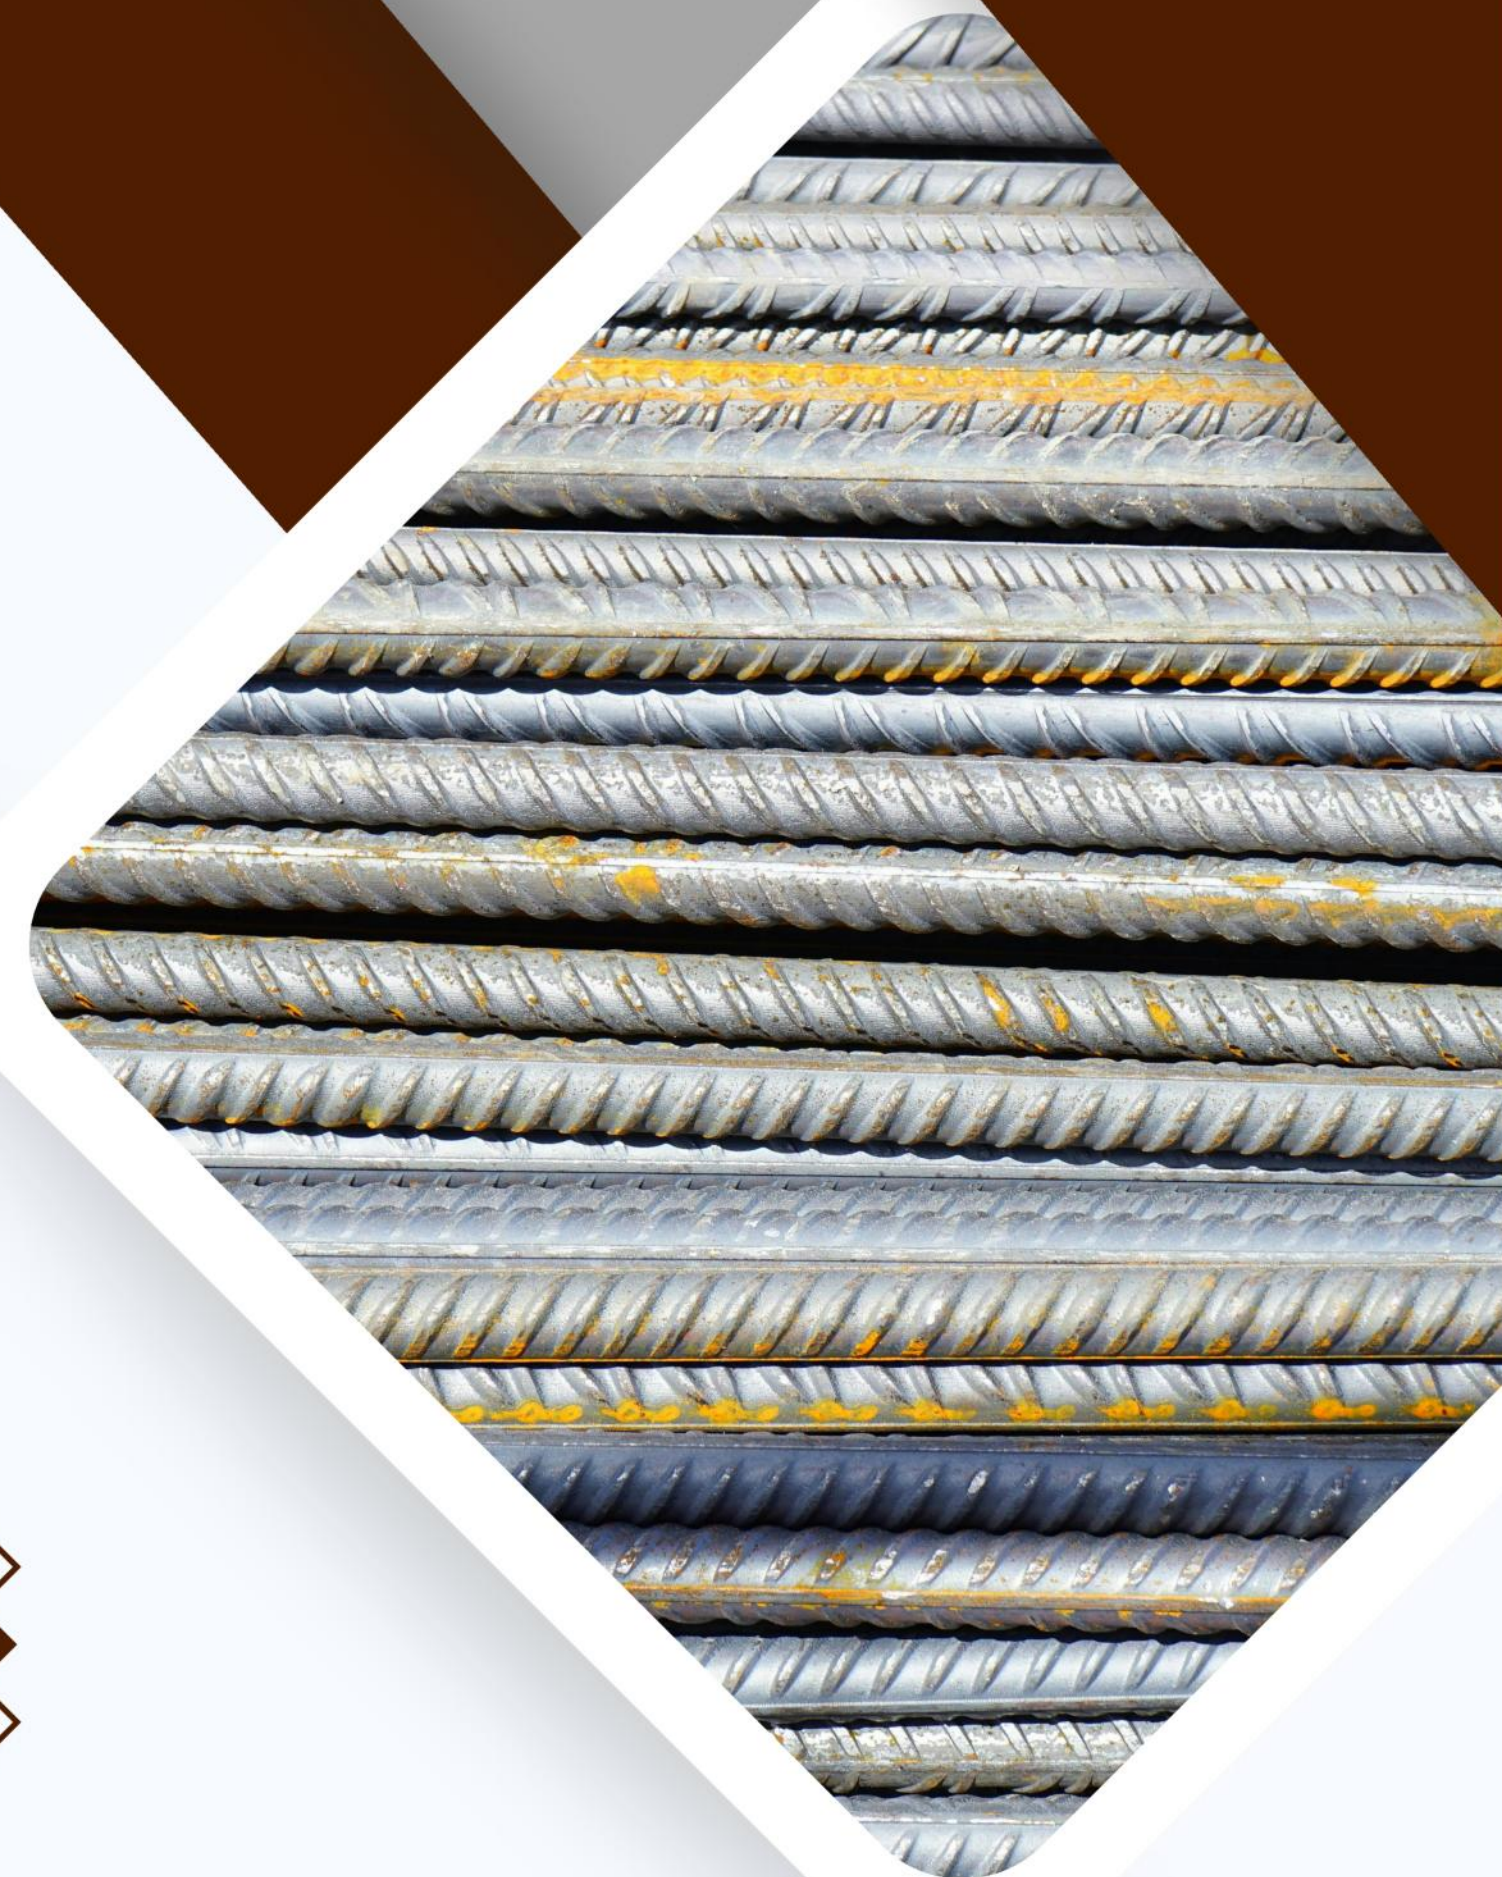

# WELCOME TO OUR COMPANY

Founded in **2015**, Saat is a new and dynamic construction material supplier specializing in high-quality rebars, roof sheets, nails, and other essential building materials. As a subsidiary of a well-established parent company, Saat combines industry experience with a fresh approach to meet the evolving needs of the construction sector.

# VISION

At **Saat**, our vision is to be a leading supplier of construction materials, known for superior quality, reliability, and value. We strive to empower engineers, contractors, and developers with high-grade rebars, roof sheets, nails, and other essential materials, enabling them to build safer, stronger, and more sustainable structures. Through innovation, strict quality control, and a customer-first approach, we aim to be the trusted partner shaping the future of construction.

# MISSION

Our mission is to supply the best quality rebars and construction materials at competitive prices. We ensure every product meets strict quality standards and offer delivery services to make sourcing easy for our clients. If a product does not meet expectations, we provide a full refund, reflecting our commitment to customer satisfaction.

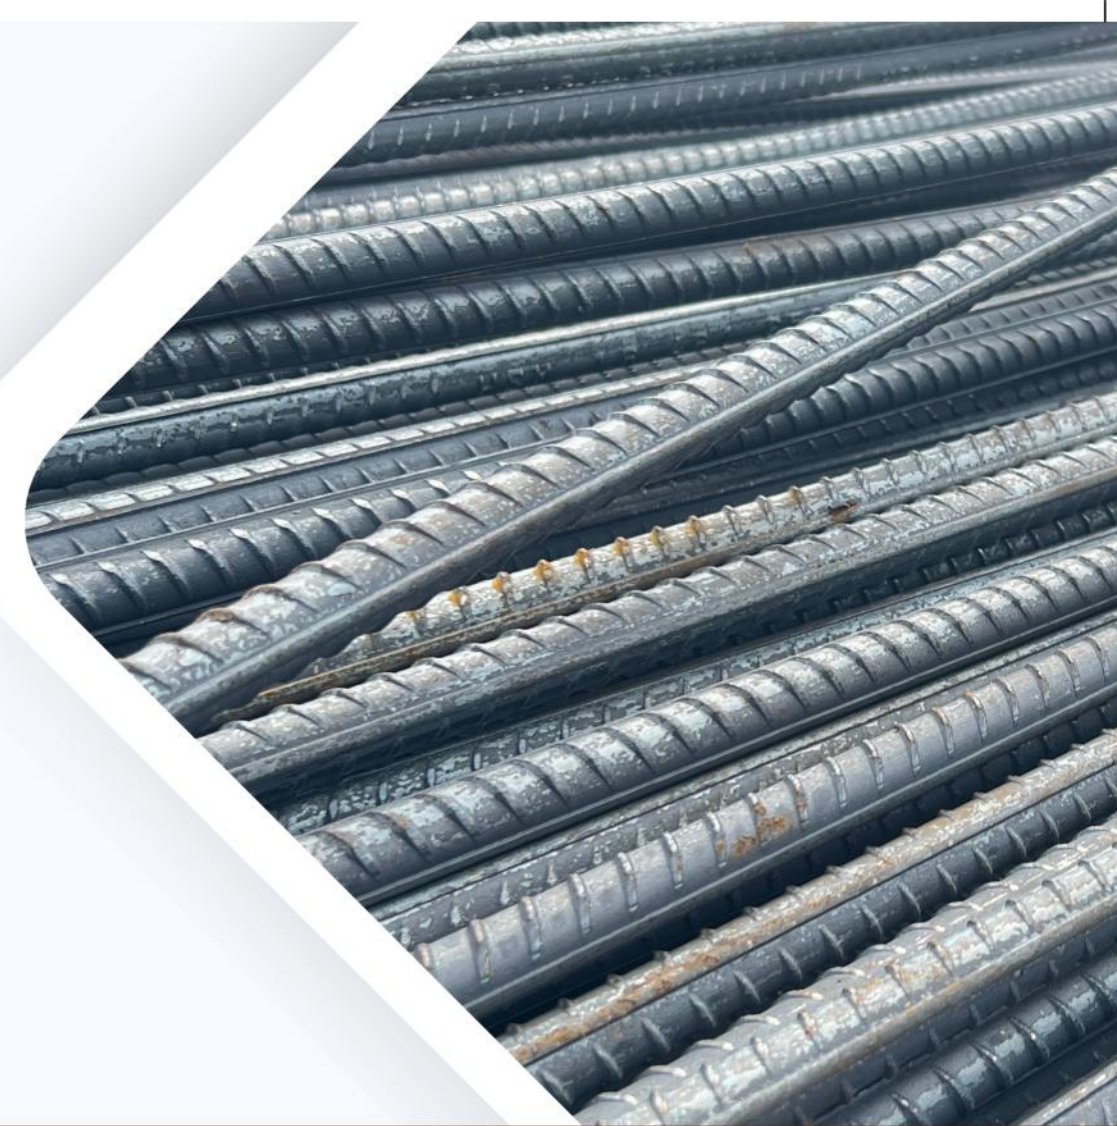

# OUR PRODUCT

At Saat, we supply high-strength rebars, quality nails, and durable EGA sheets, ensuring contractors, builders, and developers have the reliability and performance needed to bring their projects to life.
